To Margie (My Summer Love)

Remember how we met? Well I sure am glad that I came to the Lake that day, it was as though it was meant to be. I certainly hope that our love is meant to be. OH! How I wish that we could have met earlier, but I guess that's life.

As we walk side by side and gaze at the moon and stars above, you look at me and I can see the twinkle in your eyes which came from the skies above.

I may not own a pink cadillac or I may not be rich, but I will try my best to make you happy and always love you.

From the first hello to the last goodnight I will always love you.

Herb

H.B. M.K.

P.S. Today on our forth anniversary I am grateful to you for the happiness you have brought into my life.

HERB & MARGE

A TRIBUTE . . . . .

MR. CHESTER D. NEWMAN

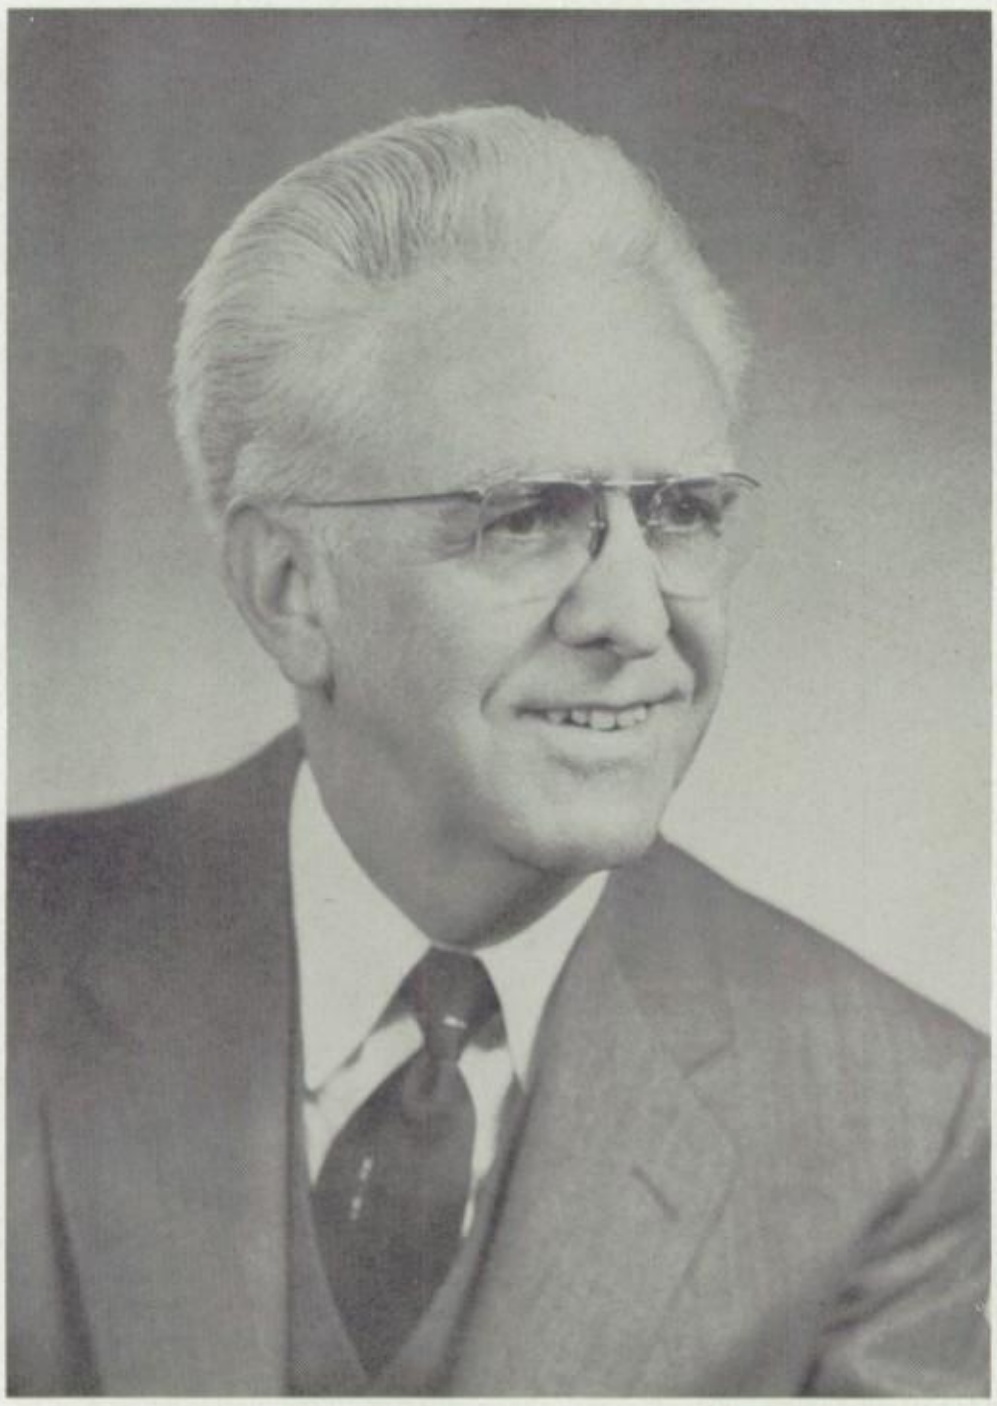
We salute not only Mr. Newman, the man, but what he has stood for and glorified — the North Division **Tattler.** Few know that Mr. Newman has the outstanding record of having devised and managed our annuals for twenty-five years, a record unsurpassed by any teacher in our city system.

What greater commendation can we give to this esteemed leader than to say that he has been a devoted teacher, a discerning philosopher and, best of all, a heart warming friend.

Dear Margie
We hope your life will be filled with happiness and love from
Mr. & Mrs. Ted Budde

Good Luck
&
Best of Wishes
Fellow Englander
Edith Wentz

Dear Mr. Newman,
Thanks a bunch for
the help you gave me
this year.
Sincerely,
Barbara Tarnowski



CHESTER D. NEWMAN

May your
days be filled
with the best of luck
and the rainbow
Edith Tarnowski

Always do your best
and the best will
come back to you.
Lots of Luck,
Barbara

STUDENT SECRETARIES

The student secretaries give valuable service to the school at the same time that they obtain real practice in secretarial duties and responsibilities. In their free periods they do many of the vital tasks pertaining to full-time office procedure. They take dictation, transcribe letters, notices and written matter of many kinds. They keep files and records and handle financial operations connected with the every-day business of the curriculum, guidance and administrative offices. Among the positions of highest responsibility to which a student may be appointed in North Division is that which the student secretaries hold.

Purpose:

The Girls' Club strives to promote friendship and cooperation among the girls of North Division. The club is open to all girls from 9B to 12A who wish to have wholesome enjoyment and to meet new friends.

Time and Meeting Place:

The meetings are held every second and fourth Tuesdays in Assembly "A" at 3:10.

Outstanding Events:

Each semester the club features a Get-Acquainted Party in the cafeteria, a style show, an Officers' Play, and a Senior Farewell, at which graduating seniors are given a diploma and a corsage.

The Audio-Visual Crew is made up of reliable boys who are giving up many of their free periods to serve our school as operators of Audio-Visual equipment. They help students add to their knowledge and understandings through the use of films, filmstrips, records, tape recordings, still pictures, etc. During a school year approximately 3,500 groups make use of this effective aid to learning.

This co-operative group of boys take great pride in providing this service to their fellow students and teachers.

Cadets volunteer their services to the school and do an excellent piece of work in helping to keep the school clean and orderly.

Among the many services rendered by North's Service Corps one notes the duties of the cadets, namely:

(1) To see that the halls are kept quiet and free of wastepaper.
(2) To challenge students without passes.
(3) To check lockers.
(4) To direct visitors to their respective destinations.

N D H S SENIOR BAND

North's band was often called upon to play at school activities and they always answered with fine music and showmanship.

At the football games the band always performed precision marching as well as rendering music. When the basketball team went to Madison, the band was there to play and encourage North's team. The band also took part in the Variety Show, Concerts and many other of the programs in the auditorium.

1956 FOO

North 6 — East 0

North carried home its first victory of the 1956 season even though only four of the starting eleven boys had any varsity conference experience before. North's first, and only, touchdown came in the second quarter. Ron Ross passed from the thirty yard line to Dave Heinbuch, who made it to the East fifteen yard line. Milton Johnson swept around the right end to the one yard line, and Ron Ross plunged over on a quarterback sneak.

Through the third and fourth quarters, neither school was able to get very far into the opposition's territory. The Blue Devils had possession of the ball in the last minutes of the game and ran out the clock.

North 12 — King 34

North went down to its first defeat of the year at the hands of a smooth, powerful King team. North, never really in the game, was 28 points down before they finally broke into the scoring column. A brilliant 56 yard pass play from Ross to Harris put the ball on King's one yard line where Ross scored with only seconds remaining in the first half.

In the second half, the battle was more even, mainly because King's second team was in action. On the last play of the game, tackle Oscar Porter picked up a fumble on King's 26 yard line and raced into the end zone for the final touchdown of the game.

ALL SEASON

North 0 — Lincoln 7

North and Lincoln put on a good defensive game with Lincoln finally breaking the tie score and holding on for a 7-0 victory.

The teams fought to a 0-0 tie at half time. The big break came for Lincoln when they recovered a North fumble deep in North's territory. North was hampered because its quarterback, Ron Ross, suffered a fractured wrist early in the second quarter. His absence was severely felt by the North offense. From that point on, the Blue Devils were just not able to crack Lincoln's defense.

North 19 — Washington 39

In the first half, the Blue Devils looked like city champions as they ran up a 19 to 6 lead over Washington, but were unable to survive the second half splurge by the Purgolds and finally went down in defeat 39 to 19.

North scored within three plays after the kickoff in a 50 yard pass play, Curtis Harris to Milt Johnson, and scored again a few minutes later on an end run by Harris. With only ten seconds left in the half's final scare.

In the second half, led by Orten and Savage, Washington was able to score consistently. At the same time, they held the Blue Devils to set them down to their third loss of the season.

North 6 — Tech 20

In a game that was played under some of the heaviest fog ever seen by the players and fans, North went down to a 20 to 6 decision.

The main foe of the night for both teams was the heavy fog since the visibility was only fifteen to twenty yards during the entire game.

Tech used the fog very effectively as they used tricky handoffs and runs to score twice in the first half and once in the second half.

In the first half, all of North's drives were stopped short of the goal. The Blue and White also pushed over a score late in the fourth quarter on an eight yard pass from Harris to Heinbuch. The extra point attempt failed, and the game ended 20 to 6.

North 13 — South 36

As has happened several times this past year, North played inspired football during the first half of the game but faded in the second half.

North jumped off to an early lead on the first play of the game. Milt Johnson scored on a 50 yard gallop after a pitchout from Curtis Harris. North was able to score again in the second quarter on a 38 yard pass to Dewitt Moore who had gotten behind the defense. South came on to score three times during the first half, and the score stood: South 18, North 13.

In the second half, South was able to score three more times while North was held scoreless, although several North threats were stopped deep in South territory.

North 27 — Custer 0

North celebrated its Homecoming game with a sparkling 27 to 0 victory over Custer. It marked the third homecoming victory in as many years for the Blue Devils as they played inspired ball for this game.

During the first half it was a close game, with neither team getting a score. North stopped two Custer threats on the eight and one yard lines respectively.

After halftime intermission, North caught fire and scored three touchdowns in the third quarter. the first score came on a 70 yard pass play from Harris to Heinbuch who outran the Custer defense for a final 65 yards. Several plays later, North scored again on a 45 yard pass play from Bennet to Heinbuch. On the final play in the third quarter, Milt Johnson ran 80 yards for another score. Johnson ran 80 yards for another score. Johnson added another six points on an end run in the fourth quarter after Harris had returned a punt to the Custer 8 yard line. Harris added one extra point with his placement kick and added two others on passes to Heinbuch.

North 0 — West 46

North again tasted defeat in their last game of the year. This ended what we call a somewhat disappointing season for our Blue Devils. North won two games and lost six to finish up in a tie for ninth place in the City Conference.

In the West game, in which North was hampered by injuries, North got off to a very bad start. Three fumbles in the first nine minutes all resulted in West touchdowns. After that, the game consisted of North moving for a while and then West taking over control. The West squad was very powerful and showed a good passing and running attack as they succeeded in adding up the score. North did threaten several times, but good West defense prevented any North scores.

WRESTLING

Wrestling has been a fine addition to our sports program. In the first year of competition there was a great deal of interest in this program. We are sure this kind of attitude will continue, and therefore; will improve our record the coming year.

Our conference record consisted of 1 win and 9 losses; non-conference 1 win and 1 loss. This gave the team a total of 2 wins and 10 losses. In terms of the City and State Matches we failed to qualify any Weights, but the team did a fine job in representing the school in this their first year.

1956-1957

BASKETBALL

SEASON

CITY CONFERENCE

North 46 — Pulaski 47

North opened its 1956-57 basketball season with as close and thrilling a game as could be played. The game was so close that neither team held more than a five point lead at any time during the contest.

North lost the opportunity to gain overtime when they missed a free throw in the last five seconds of the game. All five North starters were in action during the entire game. The game was played with a strong defense on both teams.

Paul Schulze and Dave Heinbuch scored 15 points each, and Howard Fuller contributed 10 points for North.

North 54 — Lincoln 53

For the second straight week, North played a game that was decided by a single point. This time, they were on the long end of the score as they upset a forward Lincoln team 54 to 53.

The score was in favor of Lincoln for most of the game until the Blue Devils went ahead with only ten seconds remaining. After North stole the ball, Kimbel went down for the deciding basket that climaxed a good comeback. Lincoln had led by ten points at one time during the game.

Schulze and Kimbel set the scoring pace for North with 15 points each. The scoring was evenly divided as Heinbuch and Fuller hit for 12 and 10 points respectively for the Blue Devils.

North 54 — King 62

North, after last week's victory, tried vainly to get victory number two as they bowed to King's Generals. It was a close game with North leading at half time, 27 to 24, and it was not until the last minutes that King was able to build up a lead.

Although somewhat smaller than their rivals, North was able to control the rebounds and many times beat King to the scoring punch. North, because of its height disadvantage, played slow, deliberate ball, taking advantage of the General's mistakes.

North, after the first six minutes, was without the services of guard Schulz who fouled out quickly. Heinbuch led both teams with 22 points followed closely by Fuller with 21. North was able to hold high scoring King forward, Plinska, to 17 points.

Row 1: C. Davis, W. Guyton, W. Shelby, W. Brooks, G. Kelly, J. Means, Mr. Pelikan.

North 79 — East 54

North Division, after many close decisions, decided to pour it on East as they romped to a 79 to 54 decision. The Blue Devils were never in trouble as they jumped off to an easy lead and led by 12 points at half time.

North used a full court press for the entire game, and this confused the East guards somewhat. Many times North was able to steal the ball before East could even get away a shot.

Heinbuch was again high scorer for both teams, scoring 25 points before he left the game in the fourth quarter. North used substitutions freely, and the remainder of the scoring was evenly divided.

North 64 — Custer 65

North continued playing the "close" games, although they were defeated once again. This marked the third time in the first four games that North's game was decided by a single point.

Even without the services of Howard Fuller, who was injured last week, North seemed well on its way to victory. The Blue Devils led by nine points at the half and by as much as twelve in the last quarter. Then Custer's all-city guard, Richard Laabs, made several quick baskets that somewhat confused the North side. With just two seconds remaining, Laabs hit the basket that put Custer ahead for the first and only time in the game.

Although losing, North had the high scorer in Dave Heinbuch who hit for 33 points. Laabs was high for Custer with 29.

North 64 — South 62

North probably won the biggest game of the year as they beat a strong, heavily favored South team. South, with only one defeat in the last forty-nine games and over the last five years, was really outplayed by the North five.

Paul Schulze, a mid-year graduate and playing the last game here at North, was the game's hero. Schulze drove in for a basket with about 30 seconds left to play in the game. This basket tied the score, and the game went into overtime. Then, with just two seconds left in the overtime, Schulze won the game with another basket.

It was an exciting game all the way through and neither team was ever more than four points ahead at any time. It was an especially fine victory for North, not only because of the fine record of South, but because of the fine spirit and playing of the North team. It was a victory well deserved.

Schulze had 16 points and Heinbuch and Fuller had 15 points each. The scoring was well divided.

North 69 — Tech 59

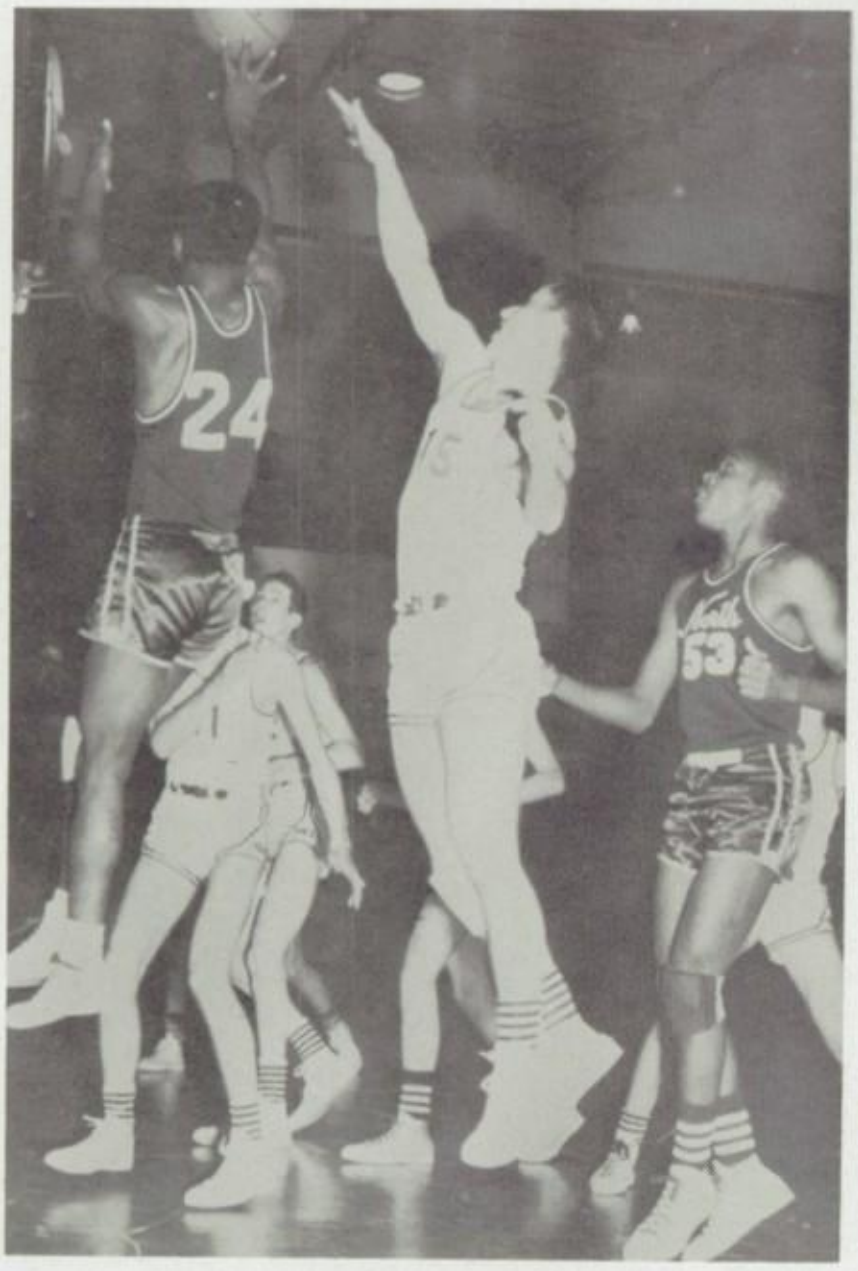
North continued in its winning ways as they won their third straight game at the expense of Boys' Tech. Although leading for the entire game, it was still a very close and exciting play for the North fans.

Tech Bafled take Lessons

North 83 — Juneau 62

North put on a good scoring show as they ran up the highest score of the year against Juneau. In the second half the Blue Devils really turned on the steam as they stalked a total of fifty points.

The Blue Devils had three players that scored 20 or more points. Heinbuch had 26 points while Kimbel and Fuller tallied 23 and 20 points respectively. Nabrovski led the Juneau team with 28 points.



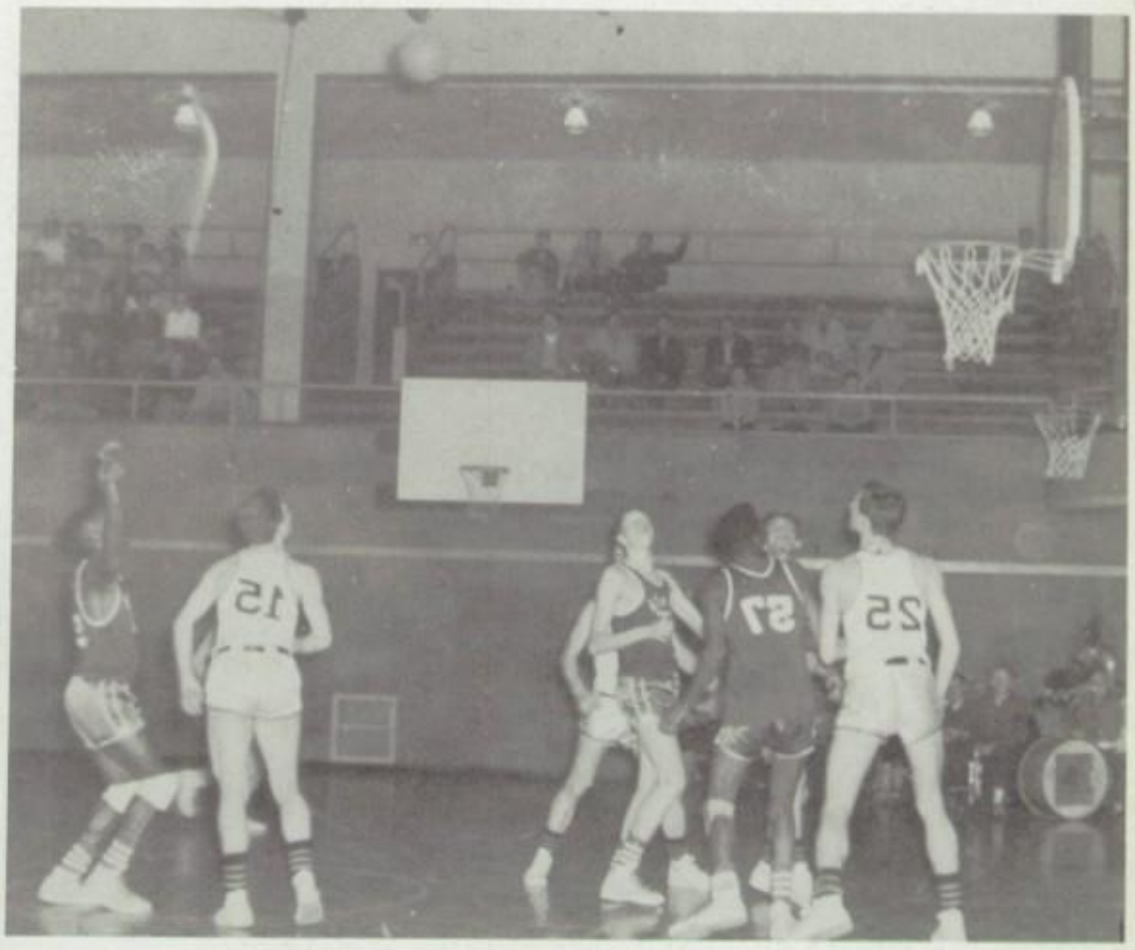
North 50 — Bay View 51

North's Blue Devils ended the season in the same manner as they started it, with a one-point defeat. It marked the fourth game this year that was decided by a single point. The defeat made the record for the season, six wins and five defeats for the North five.

The majority of the games this year have been very close and this one was no exception. The Blue Devils led at half, 29 to 23, but were unable to protect this lead and lost, 51 to 50.

Waldoch led both teams with 18 points and Heinbuch was high for North with 17.

Tech started a rally in the third quarter and at one time came as close as three points late in the quarter. Then Dave Heinbuch, North's center, led an attack in the last quarter to preserve the win. Heinbuch scored 12 of his 32 points in the last quarter. Fuller and Kimble scored 12 points each. They were the second high scorers for North.



North 63 — Washington 65

Defense seemed to be the main objective as Washington nipped North by a score of 65 to 63. It was a close game all the way with the score being 23 to 17 at the half.

In the fourth quarter North was able to catch the Purgold and even go ahead at one point. Then with less than one minute to play, Washington took the lead to stay. A last-second shot by North that would have tied the score rolled off the rim and that was all.

Ron Glaser led the scoring with 21 points for Washington while Dave Heinbuch tallied 14 for the Blue Devils.

North 64 — West 61

North got back in the win column as they turned back a stubborn West "5" by a score of 64 to 61.

Fine play by two relief boys, Ray Wilder and Joseph Well, helped insure the victory when West seemed to start a comeback. Wilder and Wells scored three fast baskets between them and there was no doubt concerning the outcome thereafter.

Howie Fuller and Dave Heinbuch led North with 16 points apiece, but West had the game's high scorer in Al Betzhold with 23 points.

and now . . .

STATE TO

North opened the District play at Custer High School with a game against the Custer Team. It was a close game until the last three minutes, but then North pulled away to a 70 to 55 victory. King was the next opponent and they were also defeated by the Blue Devils, 61 to 55. Both of these games were very important to North because they had previously beaten North during the regular season.

After defeating King, North moved into the Regional finals at Shorewood. The Shorewood team provided the opposition and it was a close and exciting game. North, after being twelve points down during the first half, put on a great comeback and won 69 to 64.

Defeating Shorewood qualified North to play in the Whitefish Bay Sectionals at Whitefish Bay High School. The first team North faced was the Racine County Aggies. North again had to put on a comeback, but finally came out victorious, 76 to 60. Waukesha provided the opposition for the Section Finals and the winner of this game qualified itself for a trip to Madison. There was a great deal of excitement before

URNAMENT

the game and it was a big game for both schools. In the first quarter, North jumped off to a 10 to 0 lead and the bewildered Waukesha team was never in the game. North played its best game of the year and literally ran the Blackshirts off the floor. When it was all over, North had won by a score of 78 to 40, much to the delight of North's rooters.

Madison bound! - - - - For the first time in history, Milwaukee was to be represented in the finals at Madison and North was going to be the representative. Their first opponent was Madison West. As the game started, it appeared that the Blue Devils had a case of "stage fright" and scored only five points the entire first quarter, while West scored 17. The deficit was too much to overcome and West won the game, 58 to 49.

North went on, however, to win the Consolation Championship by beating La Crosse Logan, 73 to 64, and then Superior Central by a score of 68 to 66.

All in all, it was a very successful season and we are all looking forward to another exciting and successful season in the next year.

CROSS COUNTRY

The 1955 Cross Country squad was young and inexperienced. Since only one letter winner, Captain Reginald Gilbert, returned from the previous year. During the season, the Blue and White were able to post one or more victories over Lincoln, West, South, Tech, Custer, and Juneau. The Blue Devils ran poorest in the City Meet and best in the State Meet where they were seventh in the medium school section. The "B" team placed second in the City Meet. This very good "B" squad, combined with the fact that all those receiving cross country numerals are underclassmen, is very encouraging.

Emblem Winners were: Reginald Gilbert, Howard Fuller, William Jackson, Matthew Dent, Wesley Powe, Randolph Washington and Leonard Juniel.

TRACK

Willie Nash, Donald Little, and Kenneth Tatum are the only lettermen back from last year's fifth-place team.

As this is being written, North's few accomplishments consist of placing fourth in the time trials at the Journal Relay, a first place in the Eight-lap Relay in the City Indoor Meet, and in defeating Juneau, 69-49.

There is a bright side to North's athletic picture. There are more boys in school with physical ability than we have had for several years. Only time will tell if these boys really want to be athletes.

Bang!

The 1956-57 swimming season was underway.

North's Bluegills started their season with a victory over Concordia College. This victory gave them hopes but as the season developed they realized the team would be handicapped by lack of depth.

There were individual stars such as Mel Peters, Little City Breast Stroke Champion, and Ken Tatum who never failed to place in a meet, but lacked the depth to get the vital second and third places.

North's tennis team faced a rugged 1957 schedule. The team was once again fortunate in having a good squad. The returning veterans are: Captain, Dennis Roeder; Howard Fuller, Robert Shields, who is one of our most improved players along with Neil Zuehlke. A newcomer is Dennis Carey who has shown a lot of promise and has contributed a great deal to the squad.

The prospects for next year are fairly good, with the return of lettermen Howard Fuller, Neil Zuehlke, and Richard Koehler.

GOLF

The 1957 golf team will have three lettermen. These include: Kenneth Gruel, Charles Goller, and Robert Whiting. With this nucleus and the fine all-around play of the other members of the golf team, North Division is assured of their share of wins in inter-school competition.

BASEBALL

As the 1957 edition of the **Tattler** goes to press, North's baseball team is looking forward to a highly successful season. With six returning lettermen and a good squad of newcomers, the Blue Devils have every reason for an optimistic outlook.

The returning lettermen, on whom the team will rely, are Ron Ross, DeWitt Moore, Don Neufuss, Dave Heinbuch, Otis Jones, and Wayne Kramer. The new players who hope to win a starting berth include Raymond Brown, Albert Dunlap, Warren Schmidt, Pickens Winters, Eugene Hamilton, and Freshman, Cornelius Davis.

If the Blue Devils play up to their expected ability, they can improve their league standing of last year, when they finished fifth. The players are also looking forward to the State Baseball Tournament which begins on May 11.

Best of luck to our baseball team and their coach, Victor Anderson.

I wish yaw all the luck in the worlds both concrete and abstract. If your buddy doesn't hurry up and take yaw out I'm going to set off a stick of dynamite under his English seat that is to make him T.N.T (trim neat and terific) and if yaw don't hurry and make up yaw mind you'll be too old by the time yaw do.

Remember the Beach! Z Z Z

Well here's hoping this summer is as much fun as last summer only we will have to change scenes say from the playground and the custard stand, to the beach and a red convertable with a tan top and preferably Oldsmobile brand.

Well I guess thats all because I'm running out of room.

SYMBOLS of MODERN INDUSTRY

Each of the drawings shown here represents a tool of some occupation or profession at Allis-Chalmers. While these are just a few examples of literally hundreds of different kinds of work our people do, they illustrate the wide range of opportunity you'll find in a modern industrial plant.

But more important than the jobs, to our way of thinking, are the people who fill them . . . their abilities, their skills, their willingness to get along well with others.

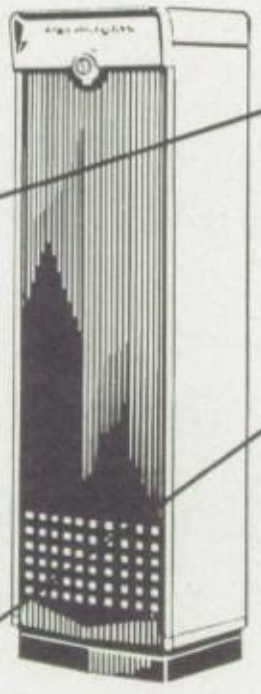
Industry is constantly on the lookout for young men and women with these qualities.

ALLIS-CHALMERS

Once upon a time there was...

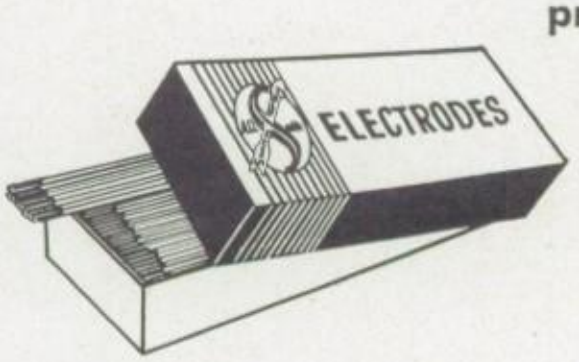
a lady

looking for a *better* water heater



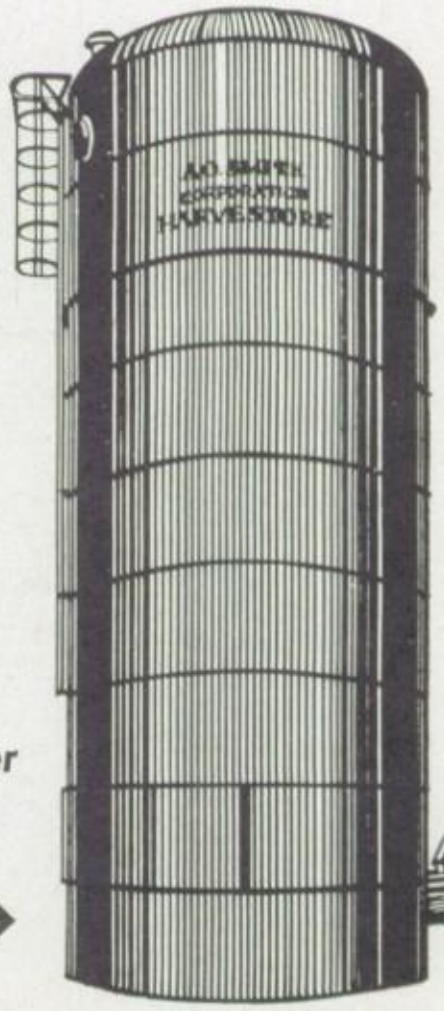
a shop foreman

who wanted *better* welding electrodes



a farmer

searching for a *better* way to store and process feed



and they all lived happily ever after with better products by A. O. Smith

The lady's answer was a *Permaglas* glass-lined water heater . . . proved in more than 3,500,000 homes. The foreman chose A. O. Smith electrodes — made by welders for welders. The farmer found what he wanted in A. O. Smith's revolutionary, acre-stretching *Harvestore* feed processing and storage unit.

The key to each story, of course, is A. O. Smith's very special talent for finding a better way through research. It's a talent that has created many happy endings with *better* products for home, farm and industry—from automobile frames to furnaces and home air-conditioners . . . from pressure vessels to line pipe ...from glass-lined processing equipment to petroleum meters.

Through research A.O. Smith *. . . a better way*
